Necessary enquiries were made in the office of the C.C.F about the particulars of the Non-Alienation scheme. From the enquiries it is learnt that there is no such definite scheme. But the main object of this nature of Grant of land is that the grantees should not sell their lands to monied people. A copy of the G.O No. R-5351-4/48-1-26-427, dated 20-1-1928 passed in one of such cases is obtained and enclosed herewith for favour of perusal in order to have an idea of the so called scheme.

The proposal of the C.C.F reg grant of land to the petitioners on non-transferable condition may be approved. A draft G.O is put up for approval.

Petition dated the 3rd September 1926 from certain lambanis and Adikarnatakas of Therinabeedi village, Maralwadi Hobli, Kankanhalli taluk, praying for the grant of lands near YELAVANATHA BETLU" in the Kankanhalli taluk.

2. Correspondence ending with letter No.R.4017 dated the 26th November 1927 from the Deputy Commissioner, Bangalore District recommending, in the circumstances explained that the lands in the YELAVANTHABYLU" may be got disafforested and handed over to the Revenue Department for being granted to the Lambanies and Adikarnatakas.

3. Correspondence ending with letter No.D.1643-26 dated the 22nd December 1927 from the Chief Conservator of Forests in Mysore, Bangalore forwarding his views in the matter.

ORDER NO.R.5351-4/L.R.1-26-427
BANGALORE DATED 20-1-1928

The Chief Conservator of Forests doubts whether the lands would be really cultivated by the applicants and suggests the adoption of the procedure followed by the Forest Department in Kakankote, Chamarajnagar and Sagar of giving lands in the State Forests for cultivation to certain jungle tribes and backward classes on a fixed assessment without issue of regular pattas so as to prevent them from alienating the lands by sale or mortigage to sowcars. He adds that if after 5 or 6 years, it is found that the people keep the lands without getting into the clutches of the sowcars and the lands may be converted into a new village and disafforested and managed by the Revenue Department thereafter.

Government are pleased to direct that, as proposed by the Chief Conservator of Forests, the lands in the YELAVANATHABYLU" may be given to the petitioners on temporary assessment for 5 years and confirmed to them thereafter if it is found that they really intend to settle down and cultivate the lands and that they will not alienate them to monied people.
